NOZICELO NGCOBO
Public Affairs, Communications and Sustainability Director, Coca-Cola Beverages South Africa

LEE SWAN
Head of Sustainability, Alexforbes

GEORGE WILSON
Head of Institutional Trade Finance, Investec

KURT ROELANDT
Director, Envision Advisory Services

Highlighting the *Importance of Sustainability for Businesses and Incorporating Effective Measurement*, this comprehensive panel discussion delves into the nuanced dimensions of sustainability integration and emphasises a holistic approach that extends beyond environmental sustainability. The panel features Nozicelo Ngcobo, public affairs, communications and sustainability director at Coca-Cola Beverages South Africa; Lee Swan, head of sustainability at Alexforbes; George Wilson, head of institutional trade finance at Investec; and Kurt Roelandt, director at Envision Advisory Services, who will provide valuable insights and perspectives on this crucial topic.

The panel discussion on *Transformative Pathways in Packaging for a Circular Tomorrow* will explore how various

industries are revolutionising their packaging practices to align with circular economy principles. Gain valuable insights into leading companies' strategies, challenges, and collaborative efforts to achieve closed-loop systems for diverse sectors such as food packaging, glass and bottling, fabric, and metals. The panel features Babongile Mandela, senior director of public affairs, communications and sustainability, at Coca-Cola Africa; Patricia Pillay, chief executive officer at Polyco; Roan Snyman, an expert analyst on circular economy at SA Plastics Pact, GreenCape; and Miles Kubheka, the CEO of Wakanda Food Accelerator, who will share their expertise and experiences in driving sustainable packaging solutions.

The panel on the strategic *Importance of Sustainable Sourcing and Why it is Crucial for Business Growth* aims to unpack how sustainable procurement practices not only catalyse the growth of local businesses but also ensure a sustainable approach to product sourcing. Expert panellists include Michael Wilson, the finance director at Coca-Cola Beverages South Africa; Eustace Mashimbye, the CEO of Proudly South African; and Sanele Zulu, the CEO and co-founder of Green Youth Network. These speakers will shed light on the multifaceted benefits of tracing the value chain locally and examine how sustainable sourcing supports the environment, drives community development, and fosters economic resilience. In addition to the panel discussions
