

SA Endurance drivers head for Dezzi

KwaZulu-Natal motor racing fans are in for some action when the Mopar SA Endurance Series heads to Dezzi Raceway outside Port Shepstone on Saturday 19 August 2017 for the fourth round of the series at the Arnold Chatz Cars Dezzi 3-Hour.

The weekend will not only see the fastest racing cars in the country converging on Dezzi Raceway from around the country, but it will also see several intriguing championship battles playing out, several of which feature local KZN teams and drivers fighting it out against SA's finest.

Endurance racing is a spectacular attraction and the local series has provided huge entertainment with a regular significant sting in the tail. The recent Campos Cape 400 for instance, saw both the leading and third-placed cars at the start of the final lap not making the finish — so there's very good reason for local race fans to take a drive down the N2 for what promises to be a great Arnold Chatz Cars Race Day at the Dezzi Raceway.
