

## Mark Tomlinson joins Cannes' judges

Mark Tomlinson, co-founder of Hellocomputer, has been selected as the judge for the Mobile jury at the Cannes Lions international festival, which takes place from 15-21 June 2014.

He will be a strong South African representative this year with his work published in Taschen's Web Navigation and his experience as a judge for the Loeries, the international FWA awards and the DMMA's Digital Creative Circle judging panel. He has also served as a committee member for the Bookmarks Awards organising committee.

He joins other South African judges at Cannes Lions this year. This includes Kirk Gainsford for Film, Mariana O'Kelly for Press, Brett Morris for Outdoor, Erica Gunning for Media, Bridget Johnson for the Direct category, Adam Livesey for the Promo & Activation category, Sulet Jansen for the Design category and Vanessa Pearson for Radio.
