

Igazi takes over DStv's throne

Mzansi Magic's Xhosa drama series *Igazi* has displaced *Our Perfect Wedding* as the most watched programme on DStv, ending the reality show's dominance at the top of pay-TV's most-watched list.

According to the Broadcast Research Council's latest television audience measurement survey figures, *Igazi* raked in over 1.1 million viewers for a single episode last month.

Our Perfect Wedding came in a close second, with only 10,000 viewers less tuning in for its most popular episode. *Igazi* also beat out Mzansi Magic's flagship soapie *Isibaya* by over 200,000 viewers.

The drama, which focuses on a Xhosa royal family whose members are not only fighting for the throne, but also their own demons, was an instant hit.

"I think it is because of how different it is. So many shows are similar, but *Igazi* is refreshing because it takes the Xhosa setting and gives it a real twist. You leave each episode questioning whether what you saw was possible," *Igazi* star Zikhona Sodlaka said.
