

Senior C# Developer

Location: Cape Town
Reference: #BRM57942
Company: [E-Merge IT Recruitment](#)

Are you a coding guru with a passion for crafting elegant and efficient solutions? If so, this opportunity for a senior C# developer with an industry leading gaming company could be for you.

As a key player in their tech symphony, you'll be orchestrating intricate software compositions, pushing the boundaries of what's possible in the C# realm. You will have the opportunity to dive into challenging projects that demand your seasoned skills, collaborating with a harmonious ensemble of brilliant minds.

Picture yourself as the driving force behind cutting-edge applications, contributing to the pioneering of the digital gaming industry.

If you're ready to elevate your career to new heights, and you're keen to test yourself in a fast-paced environment, apply now!

Skills you will need:

- Proficiency in C# programming language
- Experience with .NET Core framework
- Understanding of software development life cycle (SDLC)
- Excellent written and verbal communication skills
- Strong leadership abilities

Are you qualified?

- Bachelor's degree in computer science, software engineering, or a related field
- Minimum of five years' experience in a software development environment
- At least three years of experience working with databases

The Reference Number for this position is BRM57942 which is a permanent hybrid position based in Century City, Cape Town offering a cost to company of up to R1m per annum negotiable on experience and ability. Contact Bryce at brycem@e-merge.co.za or call him at 011 463 3633 to discuss this and other opportunities.
