

Mageu No.1 Fridge Branding

Issued by [MegaVision Media](#)

14 Jun 2017

MegaVision Media is thrilled, once again, with the outstanding work done by our team. Mageu No.1, a renowned and well-loved South African brand, added an invigorating splash of colour at Big Save Waltloo with new and improved fridge branding.

This is not our first Rodeo! We have been branding fridges for Mageu No. 1 for a few years. Everything from measurements to design, print and installation. What's more impressive is that installation took less than 2 hours.

We love the bright and colourful Mageu No.1 brand and we are proud to play a consistent role in RCL Food's [in-store advertising and marketing efforts](#).
