Senior Full Stack C# Developer - Blazor/Angular

Location:	Johannesburg
Remote work:	Only remote work
Reference:	#BRM58238
Company:	E-Merge IT Recruitment

Are you seeking remote work with a reputable organisation? Are you a senior full stack C# developer? If this describes you, then you're in the right place!

Our esteemed client specialises in crafting tailor-made ERP software solutions, and deals with custom software development for a wide range of reputable clients across various industries. This opportunity will not only expose you to a team of passionate IT individuals but will also pave the way for an awesome work/life balance with their fully remote working style.

If you're keen to take the next big step in your career, and you fit the profile below, apply now.

Skills you need to succeed:

- C# / .NET
- Blazor
- Angular
- SQL
- Web API
- TypeScript

Are you qualified?

- Degree (information technology, computer science, or similar)
- Five-plus years software development experience

The Reference Number for this position is **BRM58238** which is a **permanent remote** position offering a cost to company of up to **R850,000 per annum** negotiable on experience and ability. Contact Bryce at brycem@e-merge.co.za or call him at 011 463 3633 to discuss this and other opportunities.
