

Book Loerie accommodation now

The Loerie Awards festival weekend is in Cape Town from 1-3 October 2010 and bookings are now open for accommodation during that weekend, when the city fills up with the who's who of the advertising world.

Cape Town Tourism has put together a selection of accredited accommodation options for the event, ranging from backpackers to luxury suites with everything in between.

The Cape Town Loeries Village is being extended from the CBD into Greenpoint and Seapoint, broadening the range of accommodation on offer. A 24-hour shuttle will be accessible to all accredited accommodation establishments, including transfers to and from the awards ceremonies, which open for bookings later this month.

For a list of all accredited accommodation, a comprehensive map of the Loeries Village or to make a booking visit www.capetown.travel/loeries, call Cape Town Tourism on +27 (0) 21 487 6800 or email .
