

B2B editors take to twitter with Twitterfest

Today, Wednesday, 21 October 2009, is the second and last day of the first [TABPI Twitterfest](#). [Follow](#) what B2B editors from Ireland, South Africa, the US, Australia, New Zealand, Singapore, India, UAE and elsewhere are discussing, and join the conversation by signing up for a free Twitter account if you don't already have one. There are a lot of great tips there already, and TABPI would love to hear what you're doing in your industry in print or online. To be a part of the conversation, just tweet with #tabpi in the tweet, and your comment will show up in the [Twitterfest feed](#).
