

## Hull returns to SA as Accenture Digital MD

Accenture has appointed Wayne Hull as the managing director and head of its digital division in South Africa as well as sub-Saharan Africa. For the 13 years, Hull was leading cutting-edge technology in the internet of things (IoT), data analytics and online media in regions like the Middle East, Pakistan and Switzerland.

Hull was formerly Sportradar Global's digital advisor, he also held several senior positions at AGT International as well as at Cisco and headed IBM Southern Africa's technology and financial service consulting practices. Hull obtained an honours degree in industrial psychology from the University of Cape Town, attended the Harvard Business School and IMD Business School Executive Education.
