

## RAM delivers

Dean Blumberg, Adam Thal and Ryan Poole whose short film Under the Rainbow has been selected to be showcased at the 2005 Cannes Film Festival, will be winging their way to France on Thursday, 12 May 2005, thanks to the generous sponsorship from local courier company, RAM hand-to-hand couriers. The 18 minute short film is a poetic reaction of actual events which took place in the inner city of Johannesburg, filmed entirely in Zulu with English subtitles.
