

## Mysmartkid releases festive gift suggestions

Mysmartkid, a play-based educational programme, offers products that are fun and educational gifts. Each age-appropriate product is designed to assist with learning and development for children aged 0-6 years old.

The online shop also allows shoppers to choose affordable but exciting gifts for under R100. The company has released a list of toys it feels appropriate for the festive season. For more information, go to [www.mysmartkid.com/shop](http://www.mysmartkid.com/shop).
