

Rare, exceptional wines at 2014 Nederburg Charity Auction

This year's 2014 Nederburg Charity Auction features two exceptional rare wines - the Malmsey 1879, a post-phylloxera sweet wine from Madeira and the Oremus Tokaji Eszencia 2000, a wine that will easily maintain its quality and drinkability for 200 years or more.

Fine wine auctioneer Anthony Barne is offering these distinguished wines to guests of the Nederburg Auction alongside 12 other special items on Saturday 13 September 2014 to raise funds for local community-focused organisations.

Several exceptional South African wines have been offered for the Charity Auction line-up, including the Zonnebloem 5-litre 1979 Pinotage, the Groot Constantia Heerenrood 1975 and 12 bottles of the 1975 Nederburg Cabernet Sauvignon, made and signed by Günter Brözel.
