

## Second Winelands guide now available

Published by The World's Favourite Publications, the recently published second edition of the *Wine Tourism Handbook*, which launched in 2005, has been updated to make it even more user-friendly and comprehensive. In line with international wine tourism trends, it highlights the destinations, cellar-doors, dining options, activities and accommodation throughout the wine regions of the Cape, complete with maps, telephone numbers and opening hours. The guide retails at selected bookstores nationwide, wine route and publicity offices for R89.00.
