

# **Trudon and Food and Trees for Africa sponsors 10 000 trees**

During the month of June, Trudon (Publishers of the Yellow Pages) will be distributing 1 500 trees to the fortunate residents of Braamfisherville, Gauteng, as part of an ongoing effort to green townships. In conjunction with South Africa's premier social greening social enterprise, Food and Trees for Africa (FTFA), Trudon has generously sponsored 10 000 trees for distribution in low cost housing settlements across South Africa as part of their ongoing commitment to social upliftment and poverty alleviation.
