

Primedia Unlimited lunches with clients

The Primedia Unlimited team and its subsidiary companies Icon Media, Primall Media, Wideopen Platform, TLC, Mamba Media and X/procure took time out to visit with clients in Cape Town on a very rainy 21st of November at Caveau Wine Bar and Deli in Newlands. "2007 has been an unbelievable year for us and it was great to catch up with the guys in Cape Town before we all go on our respective, much needed breaks," says CEO Ken Varejes. "Thanks to everyone who could join us, and we look forward to another excellent year in 2008."
