

Amplifying music talent

5FM, in association with Jose Cuervo Tequila, is bringing local and international bands to a stage near you during August 2007. The nationwide Ampli5 tours kicks off at the Oppikoppi Festival on 9 August, then travels to the Coca-Cola Dome in Johannesburg on 10 August and finally hits the Bellville Velodrome in Cape Town on 11 August. Selected via the recent annual Oppikoppi poster competition, all branding designs and marketing materials have been created by a fine arts student from Tuks.
