

Busabout in Thailand and Laos and win

When you are travelling around the world, no two days are the same so it's a good idea to keep a camera handy for when the beautiful moments strike so that you can capture and look back on your trip when it's over.

A popular trend with travellers of all ages is documenting travels through photos and sharing them online, allowing for their family, friends and followers an opportunity to "join in" on their explorations, no matter where they are in the world.

Busabout Asia

In celebration of their new Asia 2016 trips, Busabout has launched an Instagram competition where one lucky winner and a friend stand a chance to experience their brand new Thailand and Laos Adventure.

"Instagram has become an incredibly popular way to document travels, where the memories are sure to live on in a traveller's mind long after they've touched down back at home. Busabout has a variety of adventures that are perfectly suited for any travel style. Each Busabout trip exposes travellers to diverse experiences, and this Thailand and Laos Adventure is no different. The winner of this competition (plus a friend) will get the chance to sail down the Mekong, Laos; chill out in the hot springs in Pai; explore Vientiane on a City Tour; taste some of the best local dishes at the Chang Rai night markets; party in Vang Vieng; and so much more - providing many an opportunity to capture even more awesome Instagram snaps to share," says Kelly Jackson, General Manager for Busabout in South Africa.

How to enter

Step 1: Upload a photo of your favourite travel moment to Instagram tagging [#YourAsiaTrip](#) and [@BusaboutAsia](#).

Step 2: In the caption, share what travel means to you.

The 10 photos with the most likes will be deemed the finalists and will be entered into the draw to win a Thailand and Laos Adventure for two. The competition closes on 28 November 2015, and the winner will be announced on 1 December 2015.

For more information on the competition and for full Terms and Conditions, visit out [Busabout](#).
