

# **Thebe Tourism Group, Chiefs Mobile Tented Camps to offer unique experiences in Southern Africa**

The Thebe Tourism Group and Chiefs Mobile Tented Camps have entered a partnership to offer unique experiences in Southern African destinations. The partnership will see the operation expanding both geographically as well as diversifying the product whilst not compromising its focus in the traditional markets.

The first venture of this nature is Kruger Grande, which will see a luxury tented camp set up on a river bank in the Kruger National Park.
