The billionaire announced that Linda Yaccarino, former head of advertising at NBCUniversal, will be responsible for overseeing the site's business operations.

According to <u>reports</u> Yaccarino is expected to commence her new role in six weeks, while Musk will continue to be involved as executive chairman and chief technology officer.

I am excited to welcome Linda Yaccarino as the new CEO of Twitter! <u>@LindaYacc</u> will focus primarily on business operations, while I focus on product design & newtechnology. Looking forward to working with Linda to transform this platform into X, the everything app. <a href="https://t.co/TiSJtTWuky">https://t.co/TiSJtTWuky</a>

— Elon Musk (@elonmusk) May 12, 2023

"Looking forward to working with Linda to transform this platform into X, the everything app," he said on Twitter.

Yaccarino commented: "I've long been inspired by your [Musk] vision to create a brighter future. I'm excited to help bring this vision to Twitter and transform this business together."
