

## Virgin Atlantic appoints Marc Harding as South Africa country manager

Virgin Atlantic has announced the appointment of Marc Harding as country manager for South Africa. Harding joined Virgin Atlantic 23 years ago and held various roles in the operations and commercial departments across Johannesburg and Cape Town.

Earlier this year, Liezl Gericke was appointed head of international leading Africa, Middle East and Asia Pacific, managing all Virgin Atlantic territories outside the Americas and the UK. She handed over country leadership responsibility to Harding from 1 July 2023.
