

# Princess Cruises to add another royal-class ship in 2020

Princess Cruises is set to introduce the Enchanted Princess royal-class ship to its fleet in 2020. The ship will take sail on 15 June 2020 and will make a series of European voyages.

Bookings for her maiden season, Summer 2020, will open on 8 November 2018. The construction of the of the 143,700-tonne, 3,660-passenger Enchanted Princess will take place in the Fincantieri Monfalcone shipyard with the ship set to feature an evolution of the design platform used for the cruise line's previous royal-class ships.
