

Uber-Emirates partnership offers discounted rides in Dubai

International airline, Emirates and ride-sharing app, Uber, have announced an exclusive partnership that will provide Emirates passengers visiting Dubai from select international countries with discounted airport rides.

The collaborative offer will see visitors to Dubai from Australia, Egypt, France, Saudi Arabia, and South Africa awarded special offers from Uber on bookings made between 26 September to 10 December 2018.

To avail the special offers*, travellers will need to book an Emirates Economy Flex or Economy Flex Plus fare on flights from Australia, Egypt, France, Saudi Arabia, South Africa to Dubai via the Emirates website, during the promotional period. Economy Flex Plus travellers will get one free ride from Dubai International Airport (DXB) to anywhere in Dubai up to the value of AED 120, while Economy Flex passengers will get 50% off one ride from DXB to anywhere in Dubai up to the value of AED 60.

**The offer is valid for both existing and new Uber users.*
