Running up to the show's finale in April, *Big Brother Mzansi* showed phenomenal growth in March, with 187,361 new subscribers using the app to vote for their favourite housemate and to catch up on gossip. Jumping from 30th to 14th position on the Brand Index, the spectacular 74% increase is to be expected when branded apps feature in mainstream media - a similar mushrooming of subscriber numbers was seen with 2013's *Idols SA* app on Mxit.

MTN's assault on the top mobile brand position continues with strong growth in March of 52%, thanks to their Always On advertising campaign. The app attracted 88,713 new subscribers.

KFC's continued campaigns delivered 80,224 new subscribers, while Shoprite's MTN Eezi Coupon campaign brought an 18% increase to the app, with 51,372 new subscribers adding the app during March.
