

Boschendal MCC earns top 10 classic spot

Boschendal Wine Estate's Cap Classique Grande Cuvée Brut has earned a spot on the Top Ten Cap Classique list.

The estate's méthode cap classique (MCC) was placed on the list by South African Wine & Cellar Classifications for the 10-year period of 2008 to 2018.

Wines are required to receive exceptional reviews from one or more judging panels during a decade-long review period to earn a spot on the list.
