

Who's the Wally, then?

NEWSWATCH: When Kuli Roberts put the cat among the pigeons with her last, last column in *Sunday World*, she also unleashed a bit of a storm around the head of the newspaper's editor, Wally Mbhele, reports *IOL*.

For more:

- *IOL*: [What about the editor?](#) Being editor is a tough and lonely place - and it becomes even lonelier when one of your columnists manages to work in a very dodgy piece of work for all the world to see - and be upset by. Hence the calls for the *Sunday World* editor (or whichever editor signed off the column) who allowed Kuli Roberts' racist column to be published, to get the chop.
