

Tourism Indaba comes up tops at EXSA 2010 Awards

The announcement of the EXSA award as the winner in the category Best Exhibitions of the Year: Best Trade Exhibition 12 000 sq/m and over coincides with the opening of the trade, media and exhibition registration for Tourism Indaba 2011.

The show, to be held at the Durban ICC from 7-10 May 2011, hopes to break attendance records and reach well over 13 000 delegates from the travel tourism and related industries across the globe. Witch and Wizard Creative is the management company awarded the contract for Indaba 2011 - 2013.

Says Thandiwe January-Mclean, CEO at SA Tourism, "The show remains the highlight of our calendar and we strive to keep our approach fresh and surprising with each passing year. Being recognised by a credible and influential events and expo industry body is testament to the fact that our efforts are indeed recognised and on point. We look forward to bigger and better things for Indaba 2011."
