

Stand design company wins again

The 3D Group recently was awarded Gold for its stand for BP and Bronze for GWM (Great Wall Motors) at the Durban Motor Show recently. Both stands were based on the high quality modular Octanorm system. Earlier this year, the 3D Group was awarded first place in the Best Stand Design category at Tyrexpo Africa for its stand for CFP Tyres. Previous wins have included stands at exhibitions such as Markex and AutoAfrica, as well as many awards from EXSA on an annual basis.
