

Pharma and Health & Wellness Lions winners!

The 64th annual Cannes Lions Festival of Creativity kicked off on 17 June with the Cannes Pharma and Cannes Health & Wellness Lions award ceremonies, where Y&R SA did SA proud!

Cannes Lions' Healthcare agency of the year: Area23, New York.

Lions Health, now in its fourth year, celebrates creative excellence in health communications, creativity for personal well-being and an inspired approach to consumer healthcare. It comprises work that publically educates, promotes non-prescription products, allows self-diagnosis or facilitates pro-active personal care. As a result, the award ceremonies were preceded by insightful talks from the likes of 'Astronauts, surgeons, agencies and Aesop'.
