Tiger Wheel & Tyre has proven that consistency is king in the retail world. The company's continued delivery of consistently good service to customers has netted it the award for "Top Tyre Retailer" in the annual Times Sowetan Retail Awards. This is the sixth consecutive win for the company in these awards.

The awards are based on the results of The Times Sowetan Shopper Survey 2014, a survey conducted by TNS Research Surveys that provides insight into consumers' perceptions and experience of retailers in more than 20 categories.

Said Joe du Plooy, Group Marketing Executive, "The fact that the results are survey-based, makes winning the award a credible achievement for our company, while the survey results are an important benchmark for our brand. We are thrilled to have taken top honours in the 'tyre fitment centre' category and grateful to our customers for their support and for providing the feedback that made this possible."
