OFM in partnership with the Vrystaat Arts Festival will present central South Africa's biggest all-day concert on Saturday, 16 July 2016. The sound of your life in concert will feature MWAH, Goodluck, Charlize Berg, Theuns Jordaan, Majozi, Chiano Sky, Blackbyrd, Howie Combrink, LEAH and Kurt Darren.

Says OFM General Manager, Nick Efstathiou: "OFM has been a long term partner of the annual Vrystaat Arts Festival. The festival attracts visitors from across South Africa, exhibitors from across the globe and features the best local artists. This year we are excited to present the blue chip main event with the sound of your life in concert. We have selected only the best and most popular artists on the OFM playlist including local performers to be part of the all day concert. The concert promises to be a fun day out for young and old and we hope to pack as many people as possible into the OFM Cricket Oval at the University of the Free State RagFarm."

The concert will be an all-day event. Gates open at 9am and the last performer will be on stage at 5pm. Those attending are encouraged to bring picnic baskets to the venue. Tickets go on sale on Monday, 6 June at Computicket. Adults will pay R150 per person and kids under 12 will be allowed free entry.
