Is your product easily removable from displays? Are retailers able to restock your product? If not, Do-It® Hang Tabs and Display Strips are your solution.

Consumers do not want to fight with retail displays to get to the product they want. Making it easy for consumers to remove products from the shelf without fuss makes their shopping experience easier and more pleasant.

The Do-It® Hook Hang Tabs, for example, make selecting exact products quick and easy. Hook hang tabs are ideal when displaying more than one size or colour of the same product on the same peg fixture. Customers can easily back shop by removing products from any position on the retail display peg.

With Do-It® Hang Tabs from Pyrotec PackMedia, you cannot go wrong. To find out more information on our Do-It® range of merchandising solutions, contact us today on 021 787 9600 or do-it@pyrotec.co.za and let us help you get your products seen and bought.
