Grey was also recently awarded with a Silver at the 2021 CreativePool Awards, in the Wave (tech innovation) category, for Savanna's "Decolonise Autocorrect".

"I'm so proud of the Viceroy and Savanna teams, and of the Social team members who crafted these entries," Jeanette adds.

When Jeanette joined Grey in 2017, she was tasked to grow the social and digital offering - what used to be a team of two, has turned into a team of almost 20 digital creatives, social media managers, community managers, social strategists, and multimedia designers.

"What's sets Grey apart from many other agencies, is that Team Social is part of Creative. There are no silos. Integration - which is often promised, but frequently not delivered - is a real thing here."

Grey is looking forward to more digital wins in the future.
