Whether you're renovating, preparing to makeover a particular room, moving into a new home, or just want to try something new for your living space, you can discover new ideas and trends at the 5th annual **Vaal HOMEMAKERS Expo**, on at **Emerald Resort & Casino**, with brand new dates from **17-19 September 2010**.

The HOMEMAKERS Expo is a wonderful platform where you can view the latest trends in furnishing, décor, and general home improvement. With the recession hitting hard on the pocket more and more people are opting to invest in the improvement and refinement of their current homes instead of moving.

Before you begin your renovation, you will want to determine exactly what needs to be done, how much it will cost, compare quotes and decide whether you need to hire a contractor. This is the prime reason why the **HOMEMAKERS Expo** platform continues to be such a success; where else would you be able to address all your home improvement needs all under one roof and in a short space of time?

It's getting warmer, spring is here and it's time to get your home ready for summer. Get those gutters sorted out before the summer rains, and that pool installed before the summer heat. Your bathroom could do with some renovating and your living room needs some serious handmade décor - which is the latest trend.

Apart from the over 175 market leading home improvement exhibits, this year boasts brand new features which include an **outdoor exhibit**, **Décor on a Budget**, **Crafters Corner** and for the first time ever the **KykNET Interactive Theatre** where experts from the popular TV programme **Tuine & Tossels** will give visitors loads of ideas for their homes. Be sure not to miss VCR broadcasting live from the show!

The **HOMEMAKERS Expo** will captivate homeowners' imagination. From major fixtures in the home to innovative decor ideas, you will be able to have face-to-face interaction with the experts and compare offerings from various companies.

Don't miss the *only* home enhancement expo in the Vaal Triangle area and you could...

WIN your share of R30 000 in cash, getaway packages and reward voucher packs, all courtesy of Emerald Resort and Casino.
