

Pendoring deadline extended

Issued by [Pendoring](#)

15 Jul 2013

If you still haven't entered this year's Pendoring awards, here's the good news: the entry deadline has been extended to 5pm on 22 July!

The bad news is that no further extension will be given.

So, if you miss this boat, you'll have to wait another year to win amazing cash prizes for your clever ideas! But, sadly, a 10% late fee will apply for all entries received after the original deadline of 15 July 2013.07.12
