

Media Lions winners!

The 64th annual Cannes Lions Festival of Creativity hosted the Media Lions award ceremony on 21 June 2017, with a South African campaign shining bright.

The Media Lions celebrate the context of creativity. Entries need to demonstrate an inspiring and innovative implementation of ideas in work that's enhanced and amplified by a game-changing channel strategy.

Native VML's Absolut: One Source campaign, with production by Egg Films, media by Vizeum Cape Town, PR by Capacity Relations and additional work by Enterprise Republic, was awarded a Bronze Lion in the category: 'Use of Branded Content created for Digital or Social Media'.

Special awards on the night included 'Media Person of the Year'. This went to Universal Music Group CEO and founder Sir Lucian Grainge, credited with "saving the music industry", while Media Network of the Year went to OMD.
