

Ster-Kinekor, DIFF partner in Wavescape Film Festival screening

Ster-Kinekor and the Durban International Film Festival have entered a partnership that will see a free-to-attend public outdoor screening of four films at the Bay of Plenty on 16 July 2017. Ster-Kinekor has collaborated with National Film and Video Foundation and this year's Youth Achiever Award winner Thapelo Mokoena to showcase *Whale Fantasia*, *Bruce Gold: Last of the Great Surfing Hippies*, *Sea Change*, and *Given* as the opening of the Wavescape Film Festival.

The Wavescape Film Festival features films about surfing, the ocean, and associated adventure sports; it forms part of the DIFF, which will take place from 13 July 2017 to 23 July 2017.
