

## **MTN senior management team gets three new members**

MTN made three new additions to its senior management team. Former Vodafone Germany CEO, Jens Schulte-Bockum has been appointed as the chief group operating officer and will commence his duties on 16 January 2017.

BT Global Services sub-Saharan Africa CEO, Oliver Fortuin will assume the role of MTN's executive head of business enterprise from March 2017. Bernice Samuels will resume her employment at MTN as the group executive marketing at the start of 2017.
