

## Graham passes Algoa FM drive show baton to Ndevu

Brian Ndevu will be taking over from Gordon Graham on Algoa FM's drive show in East London. Graham is to pursue his love of sports presenting after 20 years at the station and will be co-hosting the show with Ndevu until March.

Ndevu had been presenting Tru FM's breakfast show since 2014 after he returned to the Eastern Cape from Johannesburg where he worked as an SABC television continuity presenter and sports commentator. Ndevu also spent some time working as Premier Boxing League's head of PR and communications.
