

Mark Shields named campus manager at Rosebank, Mowbray Campuskey residences

Mark Shields has been appointed as Campuskey's new campus manager at its Rosebank and Mowbray residences. Shields has been tasked with the wellbeing of students and managing their experiences in addition to managing the two buildings.

Shields holds a higher diploma in business and management as well as a PC engineering diploma from Damelin. Shields has taught computer literacy to students at the University of Pretoria and managed an Educor franchise, which he purchased, for five years.
