

Networks PR appoints KNect 365 TMT to handle AfricaCom2017

Networks PR has re-appointed KNect 365 TMT to handle its communications portfolio for AfricaCom2017.

Networkx and KNect have been tasked with increasing AfricaCom's influence across the African continent, into the Americas and China, and strengthening relationships with its existing network.

AfricaCom celebrates its 20th anniversary at Cape Town International Convention Centre between 7 to 9 November 2017.
