

Mall Indaba

Mall Indaba is a two-day conference designed for shopping centre managers and marketers. The conference is designed to help mall management to stay informed on the latest industry trends, to identify new opportunities for growth and to develop centre management skills. Enjoy two jam-packed days of learning, idea scouting, opportunity spotting, interaction and networking with industry peers.

The agenda will focus on the following:

- Industry overview, trends and opportunities
- Management strategies
- Mall marketing
- Maximising profits / working smarter
- Centre management / logistics
- Mall of the future
