It is our pleasure to bid *à bientôt* to Ann Nurock as she heads off to cover the 64th International Festival of Creativity in Cannes next week on behalf of Bizcommunity in association with Cinemark.

It is the third successive year Nurock has been invited as industry media correspondent to Cannes Lions. As per previous years, exclusive coverage will include interviews with a mix of local and international influencers, winner results and daily live social media updates. Follow @Bizcommunity on Facebook, Instagram and Twitter for breaking news from Cannes, awards results, interviews, events and seminars.
