

Vila Kasi Holdings calls for unpaid employees to attend work

The Citizen reports that the head of Vila Kasi Holdings has told the company's [unpaid employees](#) to attend work, despite not receiving their June salaries.

A number of the employees from Vila Kasi Holdings are reportedly from Afro Worldview, which is formerly known as ANN7.

The failure to pay its employees and the call to work comes after managing director of Vila Kasi Holdings Channon Merricks promised that the employees will be paid.
