

Charities can benefit from Shoprite Group in-store gift wrapping service - here's how

Applications are open for registered charitable organisations to benefit from this festive season's in-store gift wrapping service at all Shoprite, Checkers and Checkers Hyper stores in SA.

For a small donation, starting from as little as R5, customers can make use of the in-store gift wrapping service, with all proceeds donated to the beneficiary organisation managing the service in a specific store. Over the years, donations raised have been in excess of R2m.

How to become a beneficiary organisation:

- Complete the [online application](#) form before 31 October 2017.
- Attach a copy of your South African ID or passport and NPO certificate.
- Read the terms and conditions.
- Wait for email confirmation regarding the status of your application.
