

# Mars Martians find joy in Cadbury Dairy Milk chocolate

Cadbury Dairy Milk's new TV commercial shows loveable Martians experiencing their very first taste of Cadbury Dairy Milk and exploding with uncontrollable joy and dancing.

Cadbury will be celebrating the Martians new-found chocolate discovery with the launch of its new TV commercial, as well as revealing a few surprises over the next few months.

Share the love for Cadbury Dairy Milk on [Facebook](#) or on [Twitter](#).
