

NetFlorist, Krispy Kreme partner up in sweet deal for customers

NetFlorist and Krispy Kreme have entered into a partnership that will have customers begging for more. NetFlorist's Bakery will be offering fresh, next-day delivery of a selected range of Krispy Kreme combinations, which will be ordered and packaged in dozens.

Although these Krispy Kreme NetFlorist orders are only available for delivery within the Johannesburg North region, there are plans to expand the offering on a national level.
