

The science of POND'S at the POND'S Institute pop-up experience

POND'S unveiled its newest anti-blemish product, POND'S Pimple Clear, at the POND'S Institute pop-up experience at Sandton City in Johannesburg.

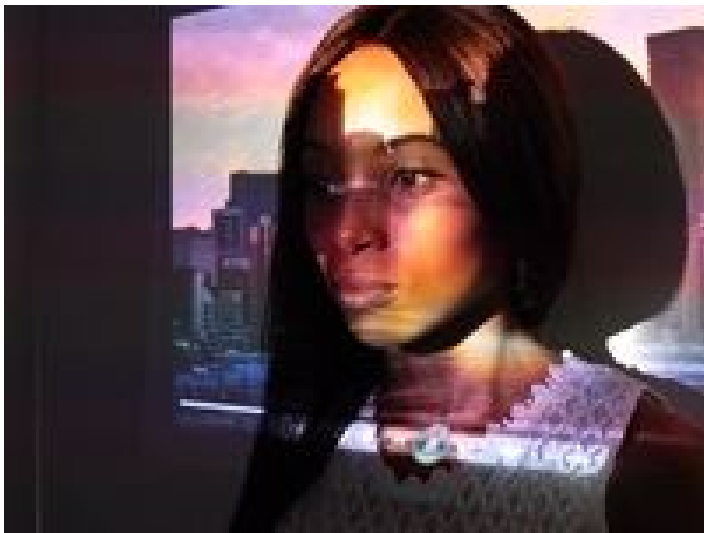

South African consumers will be able to access the science involved in some of their favourite POND'S products at the POND'S Institute pop-up experience from 22 February 2017 to 12 March 2017. They will also be able to experience the Environmental Skin Damage Capsule, get a personalised skin analysis, and receive a skin care regime tailored to their specific needs.
