

New store at Cape Quarter Lifestyle Village

Cape Quarter Lifestyle Village on Somerset Road in Green Point has added Village Home & Hardware as its latest addition to its stores. The store offers an affordable, easy-to-use DIY product range of everything from nails to hammers, screws to locks in a complete hardware range of familiar and trusted brands. It adds home décor items, kitchenware, garden and outdoor living accessories.

"To add value to our customers' shopping experience we will be holding DIY demonstrations every Saturday between 1 and 18 December 2010, a gift wrapping service from 15-24 December and will have a key cutting service from the new year," says Leonard Labuschagné, MD of the store.
