

Anette Lordan shares relief with AlterSage Online Marketing

AlterSage, a specialist online marketing consultancy, has been appointed to implement an international brand awareness campaign for AnetteLordan.com. Anette is a specialist manual nerve release and pain relief therapist who uses alternative healing methods to alleviate chronic pain disorders for her patients.

AlterSage have chosen to commence with a search engine optimisation campaign to increase the website's exposure, which will be further boosted by an article PR campaign, key relationship building campaign and also a blog.
